Book Synopsis

YouTube Marketing Strategies Learn How To Get Over A Million Video Views And A Huge Number Of YouTube Channel Subscribers! YouTube is the second largest search engine in the world only second to Google. With this power, you have the ability to get your message and content out to the world. With YouTube, you can create your own television type program, do tips and tricks, teach a course or whatever you can think of. The problem comes in when you want to get viewers and subscribers to your content. Many people who create videos never get seen. In this book we are going to explore the world of YouTube, talk about the different content that you can create and give you sixteen powerful tips and tricks that you can use to get people liking, sharing and even subscribing to your videos. At the end of this book, you will have a blueprint to follow that when combined with great content will get people subscribing and viewing your videos like never before.
